

Calcutta Boys' School

Sesquicentenary Celebrations

[1877-2027]

CAUTIONARY NOTE

Calcutta Boys' School is celebrating 150 Years in the field of education in the year 2027.

With immense pleasure we inform you that our school, **Calcutta Boys' School** (a Christian Minority, Anglo-Indian, Heritage institution founded by Bishop James Mills Thoburn, Missionary Bishop of the Methodist Episcopal Church in 1877) will be completing 150 years of existence in 2027. Therefore, the year 2027 would commemorate the "Sesquicentenary of CBS" with a yearlong celebration.

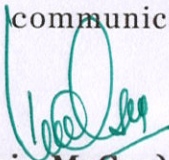

The **Sesquicentenary celebrations** will commence with the observance of **Founders' Day** on the 7th of March (*Bishop Thoburn's Birthday*) and will culminate with 4 days long "Gala Sesquicentenary Celebration" to be held tentatively from the last week of November 2027 to the second week of December 2027. All other School programmes/activities during the course of the academic year will have the 'celebration boost'.

To mark the occasion, we will publish a special edition of our school magazine PULSE: titled "**Sesquicentenary Commemoration Volume**".

Calcutta Boys' School is officially collecting messages, articles, mementoes, memories & recollections of all those associated with the school in written/audio/video format. Furthermore, if possible, we would like to record any stories you have about their life at school, either a voice recording or on video which may be sent by e-mail on the official e-mail id for the celebrations: cbscelebration150@gmail.com

No other person/organization/Society/Trust is authorized to collect material/funds on behalf of the School.

All communications pertaining to the Sesquicentenary Celebrations must be made to the aforesaid email address ONLY.

Calcutta Boys' School

Sesquicentenary Celebrations

[1877-2027]

Dear Friends,
Greetings from your "Alma Mater", Calcutta Boys' School.

In 2027 our CBS will celebrate its **Sesquicentenary Anniversary**. We have formed a celebration committee and are currently gathering ideas on how we will celebrate this landmark occasion. Feel free to communicate with us in person or by e-mail and share your ideas. Please follow this page on the school web site for further details.

Furthermore, if you have any old photographs of students, teachers, school events or the physical landscape of our school, please bring them to Mr. Darryl Joseph, in the secretarial office. We will scan them with your permission and return them to you immediately. This should take only a few minutes, depending on the number of photographs to be scanned.

We would also like to gather any recollections from previous students. If possible, we would like to record any stories you have about life at school, either a voice recording or on video. If you're not comfortable, then we would be happy to collect your stories in a written format or a voice recording or on video which can be sent either by WhatsApp or by e-mail on the school e-mail id: cbscelebration150@gmail.com

We are only in the early stages of planning. This notice will be more detailed as our organisation for this event becomes more definite.

Please Remember CBS and the Sesquicentenary Anniversary celebrations in your prayers.

Regards,

Raja McGee
(Principal & Secretary)
